PRESS RELEASE

September 8, 2015

T-BONE Sweep set for Wednesday in District F

Inspectors for the Department of Property Standards will conduct a sweep in the Mooretown area Wednesday, Sept. 9, in Council District F. This is a continuation of efforts to remove blight from the City of Shreveport. Representatives from the Police Department, Public Works, Animal Control, Water & Sewage and MPC-Zoning will assist in the sweep.

Trash bins will be available for residents to discard tires, bulky trash items and debris. The trash bins will be located in the parking lot at Airport Park, 6500 Kennedy Drive. The dumpsters will be on site 9 a.m. – 3:30 p.m. Wednesday.

The trash bins are for residential use only. If citizens are unable to bring tires to the site, they may arrange for a pick up by calling 673-6204 or 455-6065. We are striving to assist those citizens who want to clean up their home.
